## From the Pastor's Desk...

***But when the goodness and loving kindness of God our Savior appeared, he saved us...  
Titus 3:4-5a***

If you were to go around the world and ask people of various faith traditions to name some of the attributes of the god or gods they worship, you may hear some shared themes. “\_\_\_\_\_ is powerful... \_\_\_\_\_ is eternal... \_\_\_\_\_ is wise...” I wonder, though, how many would be able to say that their god is *kind*? Many would likely say that their god is *able* to be kind, but that kindness is often conditional. “If we are good, if we obey, then God is kind...” But what if we fail? What if we disobey? No kindness.

But the message of the Gospel is different! It reveals to us a God whose kindness toward us comes without any prior conditions. Paul writes to Titus that God saved us out of His goodness and loving kindness – not because of anything we had done. In fact, what we had done made the saving necessary! This month, we remember and celebrate God’s gift of Jesus, born to be our Savior and King. John begins his Gospel by saying that Jesus came into the world He had made, but it did not recognize Him. Jesus came to God’s chosen nation, the children of Abraham, but they did not receive Him. And yet, He came. He lived. He served. He suffered. He died. All to demonstrate the overwhelming kindness of God to people who don’t deserve it – people like you and me.

Now, the same God who has saved us through His gift of unconditional kindness gives us His Holy Spirit, who works the fruit of kindness in us. Interestingly, the Greek word in Galatians 5:22 that we translate as “kindness” sounds a lot like “Christ.” Perhaps this is a great reminder for us that people see Christ at work in their lives through the kindness of His followers. As I write this, our Hope family remembers and gives thanks for Helen Osen, our beloved sister in Christ and dedicated servant of God, who was recently called home to be with the Lord. Helen trusted in Jesus and dedicated decades of her life to serving those around her with kindness through music, baking, phone calls, food collections for those in need, and so much more. What a gift! I pray that we as a congregation will continue to embrace Helen’s legacy of kindness and service as we seek to reflect the loving kindness that God has shown us in sending us His Son.

May God bless us this month as we stare into the face of His kindness incarnate, revealed in the Baby of Bethlehem!

His peace and joy,  
*Pastor Baye*

# Community Engagement Ministry

Submitted by Kim Thompson

Mission of the Community Engagement Ministry – To be Jesus' servants to meet physical, spiritual, and relational needs of the community.

Sunday, November 30<sup>th</sup>, is the first Sunday of Advent. On this day, the Community Engagement Ministry will be sharing devotions for both adults and families. We invite you to take one and begin your preparation for Christmas. The Community Engagement Ministry will also sponsor the coffee hour.

Senior Laundry Love Meal: Hope will be sharing some love as we partner with Laundry Love Brown County on December 10<sup>th</sup> to provide a warm meal to seniors in our area. How can you help?

1. Chicken Pesto Pasta: Please see the display in the narthex and sign up to make this dish. The recipe and a container to place it in will be provided. Please return the prepared dish (please DO NOT bake the pasta) to the Hope refrigerator before December 10<sup>th</sup>.
2. We are looking for a volunteer to deliver the meal (3 pasta dishes, some donated fruit cups, and some bread) to the Senior Love Event at Fort Howard Apartments, 141 N. Chestnut Avenue in Green Bay, at 9:30 a.m. If you can help with delivery, please sign up at the display and Kim Thompson will be in touch with you.

Remembering Hope's college students as they prepare for their exams: Do you remember that stressful time as a student when final exams were on your schedule? We will be reaching out to our college students to provide them with a word of encouragement and a special treat.

The Community Engagement Ministry reaches out to our neighbors at Foxview Intermediate School with Random Acts of Kindness for the students that cross our sidewalk or get picked up in our parking lot. We will be planning a holiday treat to be handed out on December 17<sup>th</sup> after school.

Christmas Program Reception on Sunday, December 21<sup>st</sup>: The Community Engagement Ministry will help to provide a reception for Hope Families following the 9:00 a.m. Christmas Program Worship. We are looking for volunteers to help with

set-up and clean-up for this event. Please see the display in the narthex to sign up.

Community Engagement Ministry will also provide "THANK YOU" gifts to our Sunday School Students that worked so hard on the Christmas Program Worship. These gifts were possible due to a Thrivent Action Team Card provided by Thrivent.

## Hope's Health Corner

As we enter this festive season, decorating, baking, wrapping, and attempting to keep pace with Santa (who manages it all in one night... with no coffee!) we should remember good practices to keep ourselves safe, steady, healthy, and upright.

Winter loves to test our balance. A little snow, a little ice, and suddenly we're performing an interpretive dance down the driveway. To reduce the chance of falls, keep your walkways salted, clear your steps of snow and ice, and keep your lights on, especially those midnight kitchen lights. Watch for loose rugs in your home along with sneaky cords, and unexpected obstacles.

When spreading Christmas joy, remember to spare your back. Whether it's a grocery bag that looked lighter than it was, or a mystery package that "felt fine" until you picked it up, your back is counting on you to use proper form. Bend at the knees and keep the load close (Santa hugs his sack for a reason!) Pivot with your feet instead of twisting your hips. And if a box seems too heavy or too awkward,

don't be afraid to ask for help - even Santa's elves work in teams! Ecclesiastes reminds us: "Two are better than one... If either of them falls down, one can help the other up" (4:9-10).

Remember: our bodies are wonderfully made, and wonderfully made things need care. God entrusts us with these earthly vessels, and tending to them, especially during the "slip season", is an act of gratitude.

Scripture gently reminds us, "In returning and rest you shall be saved; in quietness and in trust shall be your strength" (Isaiah 30:15). Translation: slow down. Even Mary and Joseph didn't rush to Bethlehem – they traveled at donkey speed, which is probably healthier for all of us.

May Christ our steady Rock guide your steps, brighten your paths, and keep your celebrations joyful and safe. And if a slip, strain, or holiday oopsie does happen, please reach out – we are here to help, encourage, and share a laugh with you (after making sure you're okay).
